**Subject: Application for Certified Customs Attorney Position – JEON Hyunil**

Dear PWC,

I am writing to express my strong interest in the Certified Customs Attorney position at your company. My professional journey is a testament to my unwavering resilience and determination, qualities I am eager to bring to your team.

My commitment to a career in customs began at Kyung Hee University, where I earned a degree in International Studies. Overcoming initial language barriers through a year-long working holiday in Canada not only solidified my English skills but also instilled in me a strong work ethic—the ability to face and conquer challenges without hesitation.

This same spirit of perseverance defined my path to becoming a certified professional. After a period of dedicated study, I gained invaluable practical experience as an administrative assistant in the AEO consulting department at Joyang Customs Corporation. There, I successfully managed AEO projects and provided consulting for major firms like Hyundai Mobis and Shinsegae Duty Free, which directly led to their AEO rating upgrades. My expertise in this area is a significant asset, especially with the recent revisions to customs valuation declaration procedures.

Currently, as a certified professional at Cheonjin Customs Corporation, I have expanded my skill set to include comprehensive import clearance duties. I am proficient in all aspects of the process, from drafting import declarations and verifying Certificates of Origin to managing logistics. Additionally, I oversee customer service for Shinsegae International, honing my ability to build and maintain strong client relationships.

My professional experience is a story of continuous growth and a refusal to give up. After facing a setback in the certification exam, I recommitted myself to my goal and ultimately succeeded, becoming a 41st-class Certified Customs Attorney. This experience has proven that I will always find a way to achieve my objectives, no matter the obstacle.

Thank you for your time and consideration. I am confident that my passion, expertise, and proven resilience will make me a valuable asset to your firm. I have attached my resume for your review and look forward to the possibility of discussing this opportunity further.

Sincerely,

JEON, hyunil
